RIVER RUN 15,000 FROM THE RACE DIRECTOR

Let me start by saying thanks to all involved this year. I believe that this year was, by far, the best yet. The weather was perfect and the sponsor involvement was great. Southeast Bank joined forces with Gate Petroleum Company, Ronzoni and Office Equipment and Supply Company to give us the necessary financial base to put on this World Class event. Other contributing sponsors added greatly to the race. Baptist Medical Center sponsored the Kenneth Cooper talk on Thursday night. Albertson's, Pizza Hut Delivery, Delmonte, Nestles, Coors, Gatorade and Jakes Cola all donated free products for the giveaway in Metropolitan Park. Ronzoni once again donated the product for the carbo loading dinner the night before the race. The dinner was great as usual. I hope you will do business with our sponsors on a regular basis. I appreciate their efforts and I hope you do too.

As part of our ten year celebration, we gave tank tops to all runners who had run in all ten races. One hundred and forty nine runners got the tops. Not as many as you would expect. If you should have gotten a top and did not, drop us a line and we will send you a top.

Congratulations! to Arturo Barrios and Grete Waitz for their repeat victories. This is the first time any runner has won River Run twice. Barrios' time of 43:00 was the second fastest time on the course for men and Grete's time of 49:05 is second only to her record time set in 1986. Bill Fisher and Patt Sher were the first Duval County finishers and Jon Sinclair and Nan Doak-Davis won the Haskell American Cup.

As in all years, I would like to thank all you runners who make River Run 15,000 the great event that it is. Each year the Jacksonville Track Club tries to make this event better for all the runners. I hope this year's race was as much fun for you as it was for me. I hope to see you next year on March 12th for the eleventh annual River Run 15,000.

Doug Alred
Race Director

WATER WATER EVERYWHERE AND LOTS OF WATER TO DRINK

A special thanks to all of those hard working water station volunteers. They made this year's water stations the best yet.

This year we had a competition between the water stations. The stations were rated on how well they provided water, decorations and entertainment. Awards were given to the top three water stations. The winners were:

1. Baptist Medical Center . . . Located at the 2.5 mile mark on San Marco Blvd.
2. Southern Bell . . . Located at the 4 mile mark . . . they had 175 volunteers. Located on River Road.
3. A TIE

American Trans Tech . . . Located at the 5 mile mark on Atlantic Blvd.
and

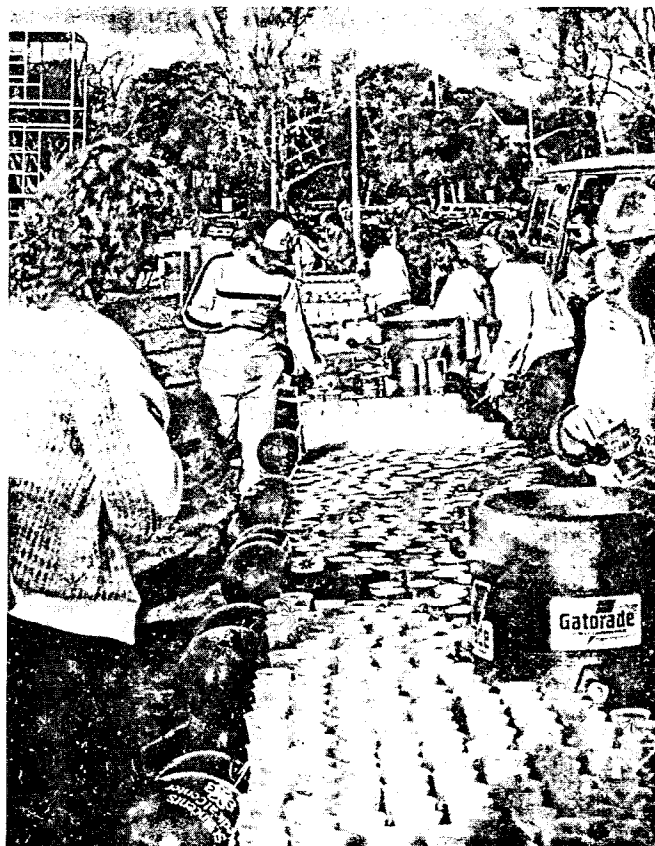

Gulf Life Insurance Co. . . Located at the 2 mile mark on Gulf Life Drive.

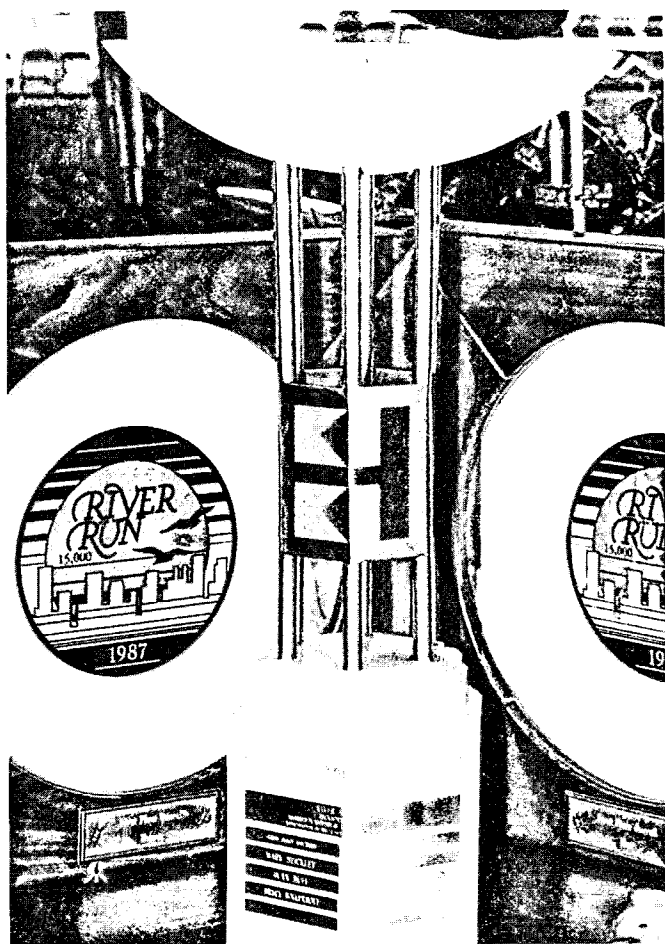

All water stations were excellent this year. Other stations receiving honorable mention for a job well done in the order of their location on the course.

The Start	Albertson's
6 mile	Florida Community College
7 mile	Southern Bell Advertising
7.5 mile	Southeast Bank
Finish	St. Vincent's Medical Center

Stewart and Rachelle Heller Goldberg were married at the halfway point of the race and then finished the remainder of the course holding hands.
