

RIVER RUN 15,000 RACE NOTES

1980

Each year we manage the River Run, we learn new ways to improve the race. This year we learned to plan a race for a day with near perfect road racing weather. Sunny, breezy weather in the mid-50s helps make the problems that crop up during the race much easier to deal with.

We did have problems this year with the awards ceremony. In some cases, awards were given to the wrong people. If you are due a trophy but did not receive one at the awards ceremony, we will deliver your trophy to you.

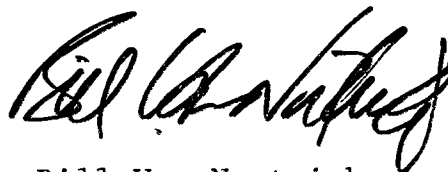

The Top-Ten T-shirts have been ordered. You can tell whether you will receive a Top-Ten T-shirt by computing the top 10% of the runners in your age division (rounded up to the nearest full number). To the top 10% T-shirt winners, congratulations--you should receive your T-shirt in the mail in a few weeks.

It is impossible to mention all those who deserve our thanks for their contributions to the River Run without running the risk of omitting many of the 600 race workers. Special thanks, however, should be given to our sponsors, The Florida Times-Union and Jacksonville Journal and the Barnett Banks for their generous support, and to the City of Jacksonville and its various agencies for their unbelievable cooperation and assistance. Thanks should also go to the Office of the Sheriff and each police officer and reserve officer working with us. It is impossible to have a large road race without the great traffic control we had at the River Run. Finally, thanks to the people of Jacksonville who turned out in greater numbers than ever to cheer all of the runners and to lend their aid and support.

Those who ran missed a great spectator's race. Up front, as you can see from the photographs included in the race results, Bob Hodge and Benji Durden took early control of the race. They stayed shoulder-to-shoulder virtually the entire race. It was not until approximately the 9 mile point that Hodge opened the lead that ultimately gave him the margin of victory. Among the women, Jennifer White and Patti Lyons exchanged leads several times until the 6 mile point when White began pulling away. Lyons finished second with Jayne Surdyka closing in for a close third.

Congratulations to the overall individual winners, Jennifer White and Bob Hodge, to the Jacksonville winners, Pat Sher and Mike Wolcholtz, and to the overall fastest women's team, the Racing South Track Team from Tallahassee, and to the overall fastest men's team, Athletic Attic from Gainesville.

The 1981 River Run 15,000 will be staged on Saturday, March 14. We hope to see you again next year.

Bill Van Nortwick
Race Director

1981 RIVER RUN MARCH 14, 1981. SEE YOU THERE.

FROM THE JACKSONVILLE TRACK CLUB

Our best wishes and thanks to all of you 1980 River Runners. You made this 3rd annual River Run and 1980 RRCA 15 km championship a fine race. The competition was keen, the weather was great, and your spirits were high. It was great to be a part of this race.

Further thanks go in appreciation for the very competent job of all those who helped prepare for and served during and after the River Run. The thousands of details that were willingly and cheerfully done set the stage for a memorable event. Race director Bill Van Nortwick deserves our gratitude for a job well done. Bill's assistants, Dottie Dorion and John Duss, and key officials Yvonne Beck, Buck Fannin, and Tom Skordas were very instrumental in organizing and managing a staggering amount of work.

We truly thank our sponsors. The Florida Publishing Company and the Barnett Banks were most generous and cooperative in their support. Albert Ernest and Jim Taylor of Barnett and J. J. Daniel, Carolyn Gentry, and Jack Gaillard of Florida Publishing were greatly responsible for the massive backing needed to put on this event.

The host for the River Run is the Jacksonville Track Club. The JTC is able to efficiently manage such a large undertaking as the River Run because of the support and interest of its members. The JTC serves running interests in many locales through its programs and offerings. Your membership in the JTC is encouraged and serves to bring quality running events, health and fitness awareness, and camaraderie to aspiring as well as to accomplished runners.

The JTC maintains a year-round schedule of events and services including monthly newsletters, meetings, and fun runs. Each year the JTC hosts the River Run, the 5 and 10 mile Beaches Runs, the women's 5 km, the mile-run festival, the Last Gasp XC race, a spring/summer track series, and other running activities for its members and the community.

Your membership in the JTC entitles you to:

1. Use of track facilities at selected local schools.
2. 10% discount at various local running shops.
3. Discounted entry fees at all JCT hosted races.
4. Discounts at other establishments arranged for JTC members.

We thank all of you again for your 1980 River Run participation and wish you the best in running throughout the year. See you March 14, 1981, at the RIVER RUN.

John TenBroeck
JTC President
