RIVER RUN 15,000 RACE NOTES

It has been six months since River Run '82 but there are still many vivid memories. It is impossible to forget the excitement and emotion of seeing over 5,000 runners lining up at the start. The boom of the cannon is followed by a roar of the crowd and the race begins. The excitement is mixed with trepidation as I realize in less than 45 minutes they'll return to the finish line.

The weather won't soon be forgotten by the runners. The hot weather put a strain on the aid stations and medical facilities they had never before experienced. (You runners at the end of the pack got recycled cups.) More runners required medical attention than after any previous run. Additional ambulances and supplies were required. The professionalism of the medical team was proven by the fact that no one suffered any long-term ill effects.

For the second straight year it was a close and exciting race. The winner, Michael Musyoki, took the lead in the final 300 meters. His time of 43:33 set a new course record. Nick Rose finished on his heels only one second behind. The woman winner had a bigger margin of victory as Wendy Smith easily bested the rest of the field with a 49:51. Jacksonville Track Club runner, John Rogerson, served notice he could run with the best of them with a fine 10th place finish and time of 45:42. Lanier Drew's time of 56:40 earned her the trophy for first Duval County female.

It is impossible to adequately thank all the volunteers who gave of their time to make the race a success. Similarly, the support of our sponsors, the Barnett Bank of Jacksonville and the Florida Times Union and Jacksonville Journal made the race possible; their positive spirit and cooperation made it enjoyable. The City of Jacksonville was tremendously helpful. Many other civic groups and clubs played important roles in staging the race.

The '83 River Run will be held on Saturday, March 12. Already plans are being made to improve it. Included in the improvements will be a giant post-race riverfront party. We hope you will again participate in and enjoy our race.

Tom Weaver
Race Director

7	936	4495	ANITA DECKARD 00.....	TALLAHASSEE FL	1:58:30	12:43

Wendy receives her trophy.

FROM THE JACKSONVILLE TRACK CLUB

River Run is now history. It seems like only yesterday when the Jacksonville Track Club hosted the City's first major roadrace. Congratulations to Race Director Tom Weaver and his many hard working volunteers for a successful race which saw entries reach the maximum for the course.

As always, River Run brought out the best in the participants and many records were broken. It is a credit to the race that it continues to bring out the best competition in this area.

It was the Jacksonville Track Club's delight to continue to conduct this great event in Jacksonville and our honor to be chosen as host for the Road Runner's Club of America National Convention held during race week. We appreciate the opportunity of showing off both our City and River Run to avid runners from throughout the United States. We hope many will return for next year's race.

Thanks go to all of the many volunteers who donated so much of their time in order to make River Run the success that it was. Without those often unseen persons an event of this type could not be possible. We certainly appreciate the assistance received from the City of Jacksonville, The Department of Parks and Recreation, the Sheriff's Department and the Jacksonville Range Society.

If you want to support first class running we extend an invitation to you to join the Jacksonville Track Club. An application is printed at the bottom of this page. As a member you will receive many benefits through the year including our monthly newsletter which provides news of local interest to area runners. The Jacksonville Track Club strives to produce running events which are attractive to a wide range of runners of differing ages and abilities. Your membership in and support of the club will assist it in the cause of running and physical fitness in Northeast Florida.

Remember, mark your calendars for next year's event, March 12, 1983, and we look forward to seeing you at another great River Run.

John S. Duss
President

JACKSONVILLE TRACK CLUB, Inc., P. O. Box 515, Jacksonville, FL 32201
