RIVER RUN 15,000

Change can sometimes be the lifeblood of any ongoing event. To remain the same can lead to a staleness that will erode the glamour of the event. River Run 15,000 has always been a race that is willing to make changes to improve. In 1984 the start and finish of the race was moved to the Gator Bowl. This moved the big green giant, the Hart Bridge, to the last two miles of the race instead of in the middle of the course. The result was a faster track. This year, new course changes were made. The long stretch down Atlantic Blvd. was cut out and a shady stretch in the neighborhoods was added. The result; a more enjoyable course, but still very fast.

Another 1984 change has also made a big difference in the race. River Run became a prize money event and joined the ARRA circuit. As a result elite runners from all over the world converge on Jacksonville, Florida the second Saturday in March. Last year, River run featured Joan Benoit Samuelson, Lynn Jennings, Betty Springs and a dozen other top ranked female runners, making River Run probably the best women's race of the year. This year it was the men's side that was stacked. The race featured Aurtherio Barrios, a Mexican who had set the World 10K road record the week before in Phoenix; Bruce Bickford, an undefeated roadracer who was a member of the U.S. World Cross-Country team; Mark Curp, the world record-holder in the half-marathon; Rodolpho Gomez, 2:09 marathoner; Zak Barie, former world-record holder at 10K; Craig Virgin, two time World Cross Country champion, and a host of others. For the women, Grete Waitz was making her first appearance at River Run and was the hands down favorite.

Raceday dawned clear, cool and windy. 6,700 runners lined up on the dual starting lines on each side of the Gator Bowl. The faster men on one line and the women and slower men on the other. The two starting groups merged at 1.3 miles into the race on the Main Street Bridge. The short climb up the bridge did not separate the men. At two miles, it was still as thick as bees. The twenty-man lead group received a 9:13 split and continued to hammer their way into much narrower streets of San Marco. Between 3 and 4 miles a small group of Kenyan runners tried to take the race. Sam Ngatia, second last year, moved to the front of the pack and he was soon joined by Zak Barie, Paul Rugut and Yobes Ondieki. The Kenyan Quartet took the lead pack through four miles in 18:17. The pack now consisted of 14 runners. At this point the familiar yellow colors of Craig Virgin moved into the lead. His surge dropped no one and he moved back into the pack. The entire pack of runners seemed content to just stay together and wait for the others to drop off. Maybe

they were all thinking about the climb up the Hart Bridge just before the eight mile mark. The 1/2 mile climb would be very demanding on their strength reserves and they knew that the last mile was all downhill. The best strategy was to just sit in the pack and wait.

The pack now down to ten runners passed 10K in 28:45. Bill Reifsnyder, Mark Curp, Ondieki and Ashley Johnson had succumbed to the quickening pace. The Mexicans were now commanding the lead. Martin Pitayo and Mauricio Gonzales pushed hard and at seven miles Sam Ngatia fell off the pace then a half mile further Virgin faded. Eight runners made it to the base of the Hart Bridge together. At this point Barrios took the lead. He blasted up the Bridge into the wind. Only Bickford could stay with him. By the top of the bridge Barrios and Bickford had put one hundred yards on the rest of the field. The wind was so strong at the top that the runners were actually being moved from side to side. The trip off the bridge is a quick one. One mile straight down to Duval Street and the finish. Barrios wasted no time at the top. He took advantage of the mental letdown of reaching the top of the hill and left Bickford to face the wind by himself. Barrios crossed the finish in 43:18. Not the fastest time on the course by far. But, a very respectable showing considering the wind. His efforts netted him \$6,000. Bickford came home second in 43:31 and collected \$5,000. In all, 19 runners broke 45:00 making this the fastest River Run in history for the men.

Meanwhile, Grete Waitz racing for the first time since being injured in a fall in Bermuda, was coasting to victory in 48:53. Her time broke the women's course record by 32 seconds, and she collected \$6,000 for her victory. Kellie Cathey raced home in 50:40 to take the second place prize of \$5,000. Antonio Villanueva and Maddy Hamerling easily won the masters divisions. Villanueva's time of 46:17 was a course record and a world age record that will probably stand for a long time.

The day concluded with the awards ceremony at Metropolitan Park as part of the River Fest Celebration, featuring Gary Lewis and The Playboys, Freddie Cannon, The Classics Four and The Boxtops. This was a fitting end to a complete running weekend that had included a Carbo-loading dinner, a two day Runner's Expo, a clinic with Bill Rodgers and Grete Waitz, the River Fest Celebration and a post race party. Mark March 14th on your calander for 1987. It will be the tenth anniversary of River Run. If there are any changes, I am sure they will be for the better, plus just a lot of celebrating a decade of running. See you next year.

Race Director

FOR THE RECORD

Congratulations to Grete Waitz for her new course record. Her time of 48:53 lowers the course record by 32 seconds.

The Mexican runners broke up the three year Kenyan domination of River Run by placing three runners in the top 5. Two of which arrived unannounced until they got to the airport.

5,110 runners finished the 15K this year. That's an increase of over 300 runners from last year. Maybe all those people predicting that the running boom is over had better take another look.

950 runners took part in the Little River Run. Jay Scofield and Shelia Cowie were the first male and female finishers. Their times were 9:56 and 11:47 respectively. Sounds fast. Think about this; a pack of 24 men went through the two mile mark of River Run at 9:13.

A very special thanks to our Sponsors, Barnett Bank, Gate Companies, Ronzoni, Office Equipment and Supply Company and Syfo Purified Water. Their contributions, financially as well as people power and services, made it all possible.

For the out-of-town runners who read the Greg Larson article in the Florida Times Union the day after River Run, the newspaper was flooded with letters from angry runners during the following week. The following Sunday sports section featured a full page of the letters plus a response from the sports editor. It's sad to think that a newspaper would let a reporter write articles designed to infuriate readers just to sell newspapers. Maybe the idea backfired. A lot

of runners cancelled their subscription of the paper, stating that, "if they wanted trash reporting they would rather read the National Enquirer."

The tenth edition of River Run 15,000 will be held on March 14, 1987. This is our date. The second weekend in March. Maybe Azalea Trail 10K will find a permanent date and quit jumping around and end up creating conflicts like they did this year.

If you find that you should have received an award, and didn't get it please give us a call at (904) 739-1917 and we will get it to you.

We hope you enjoyed the new course this year. The changes only added three more turns than last year. I think the additional shade and scenery were well worth it.

The water stations were the best in River Run history. Awards were given to the top three stations. They were: 1, Southern Bell and Gulf Life Insurance Co.; 2, Baptist Medical Center; 3, American Transtech. Thanks to all of you who took the time to give such valuable support to the race. Other water stations were manned by PruCare, Florida Jr. College, St. Vincent's Medical Center, Wolfson JSA's and Ivey's.

Seems like it's getting harder and harder to win one of the elusive top ten percent awards. You had to break 60:00 to get the award this year. That's about a minute and a half faster than last year. Too bad some people had to stand in the chute and argue that they should have gotten one, when all the awards had already been handed out.

Story

The cannon sounds and the runners are off from the Adams Street starting line.

The top seeded male runners surge to the front of the pack.

Photos by Ali Steele and Mark Sablow

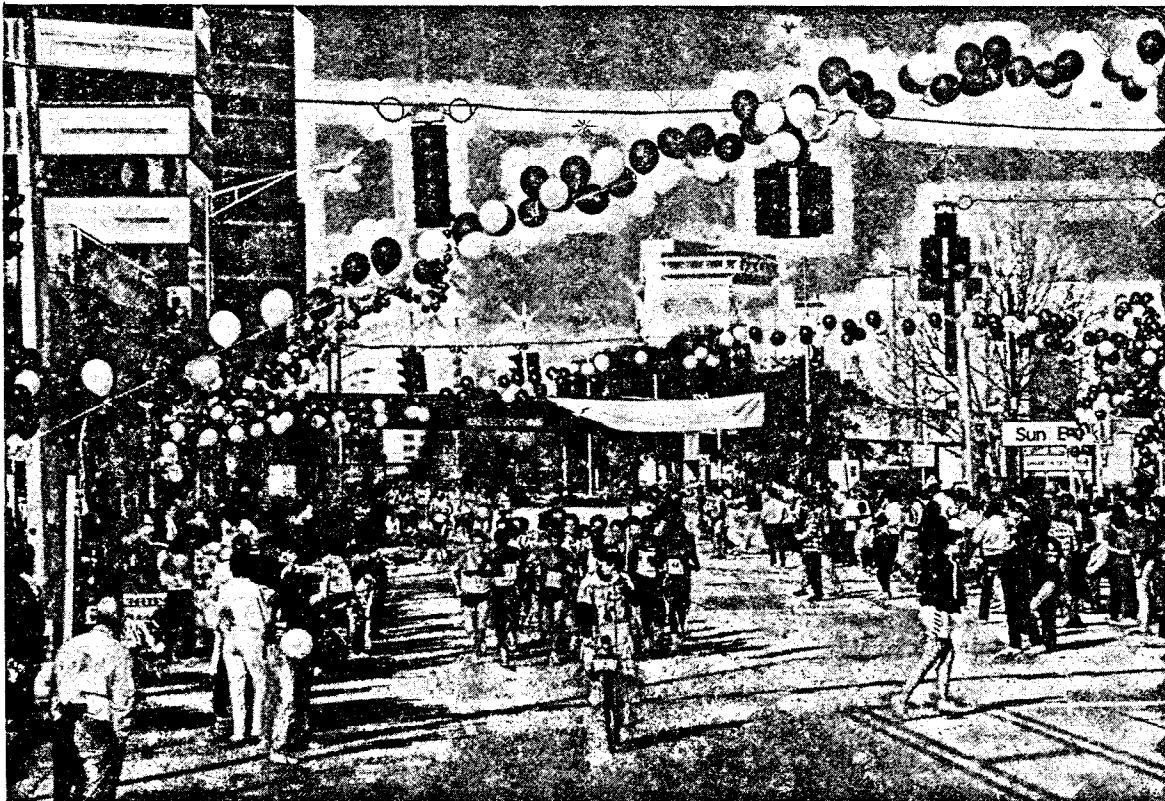

The lead pack makes the first turn onto Florida Ave. #13 Gabriel Kamau, #14 Bill Reifsnnyder, #11 Ivan Huff and #8 Sam - Ngatia set the pace.

Soon after a 4:35 first mile, a pack of 30 runners starts up the Main Street Bridge.

At the crest of the Main Street Bridge Kamau is still at the front of the pack. "Watch the grating guys!"

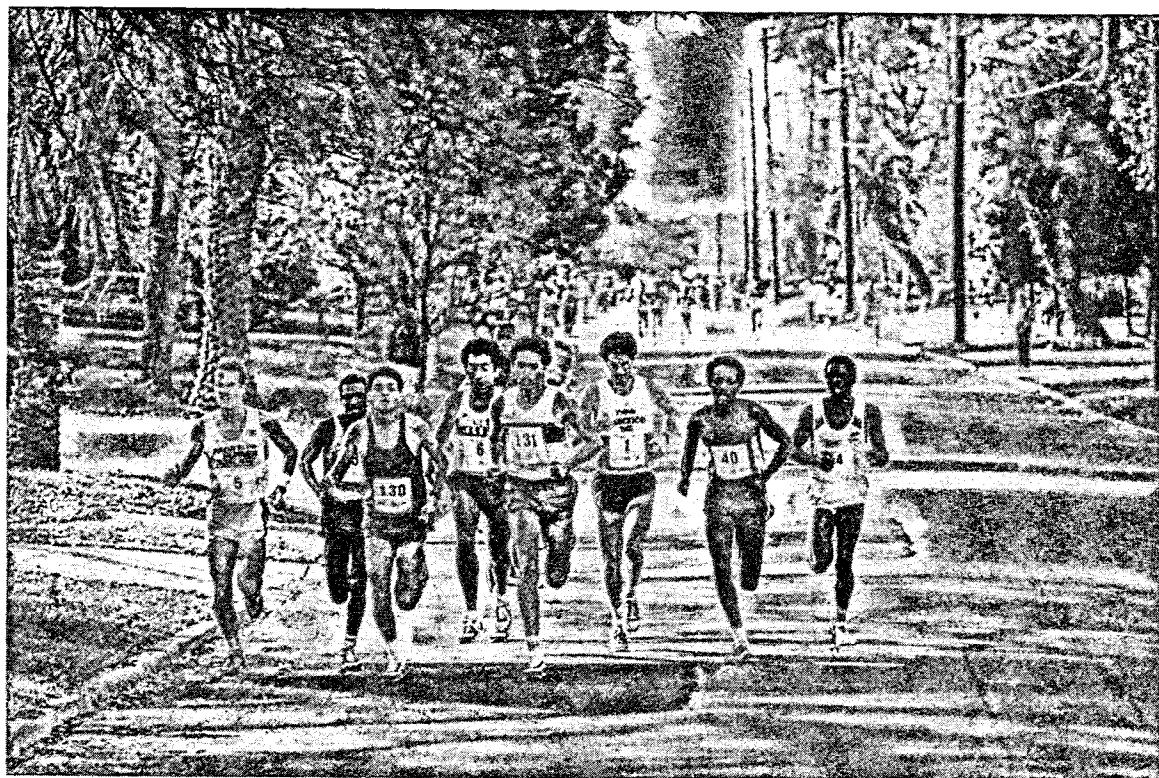

The lead pack passed by the award winning water station sponsored by Gulf Life and Southern Bell. Great Job!

#8 Ngatia, #13 Kamau, #130 Martin Pitayo and Zak Barie lead the pack of 18 runners through the 5K mark on Laverne Street.

At 4½ miles #8 Sam Ngatia leads Barrios, Barie, Bickford, Pitayo, Gonzalez, Virgin and Kamau onto Hendricks Avenue.

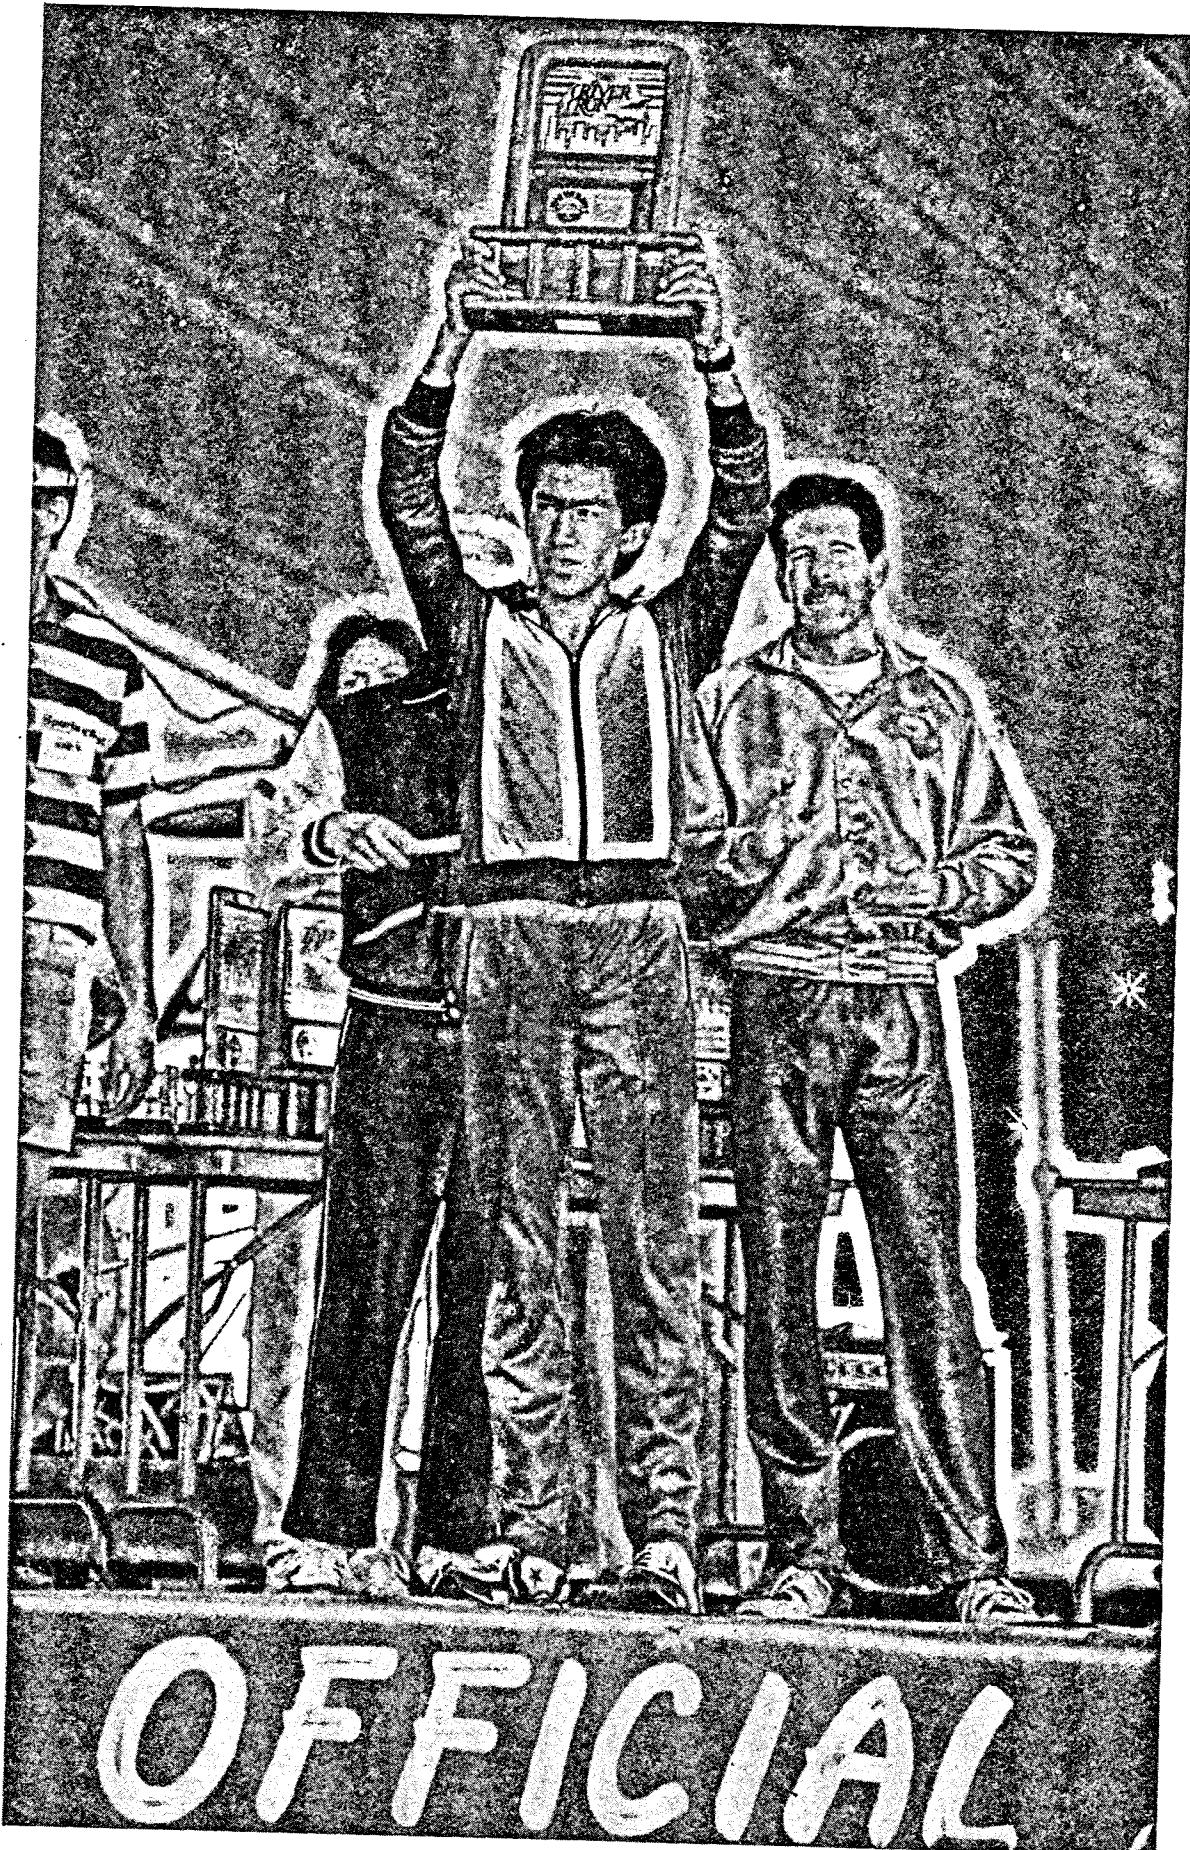

#5 Virgin, #8 Ngatia, #130 Pitayo, #6 Barrios, #131 Gonzalez, #1 Bickford, #40 Zak Barie and #4 Rugut run stride for stride through the 10K in 28:45. The new part of the course looks pretty shady.

#6 Authorio Barrios and #1 Bruce Bickford push the pace up the Hart Bridge just past the 8 mile marker.

#47 Grete Waitz had to do it all by herself. She led from start to finish and set a new course record, 48:53.

*Authorio Barrios displays his 1st Place Award. He already has his \$6,000 check in his pocket.
Jacksonville Track Club President, Rodney Smith, applauds.*

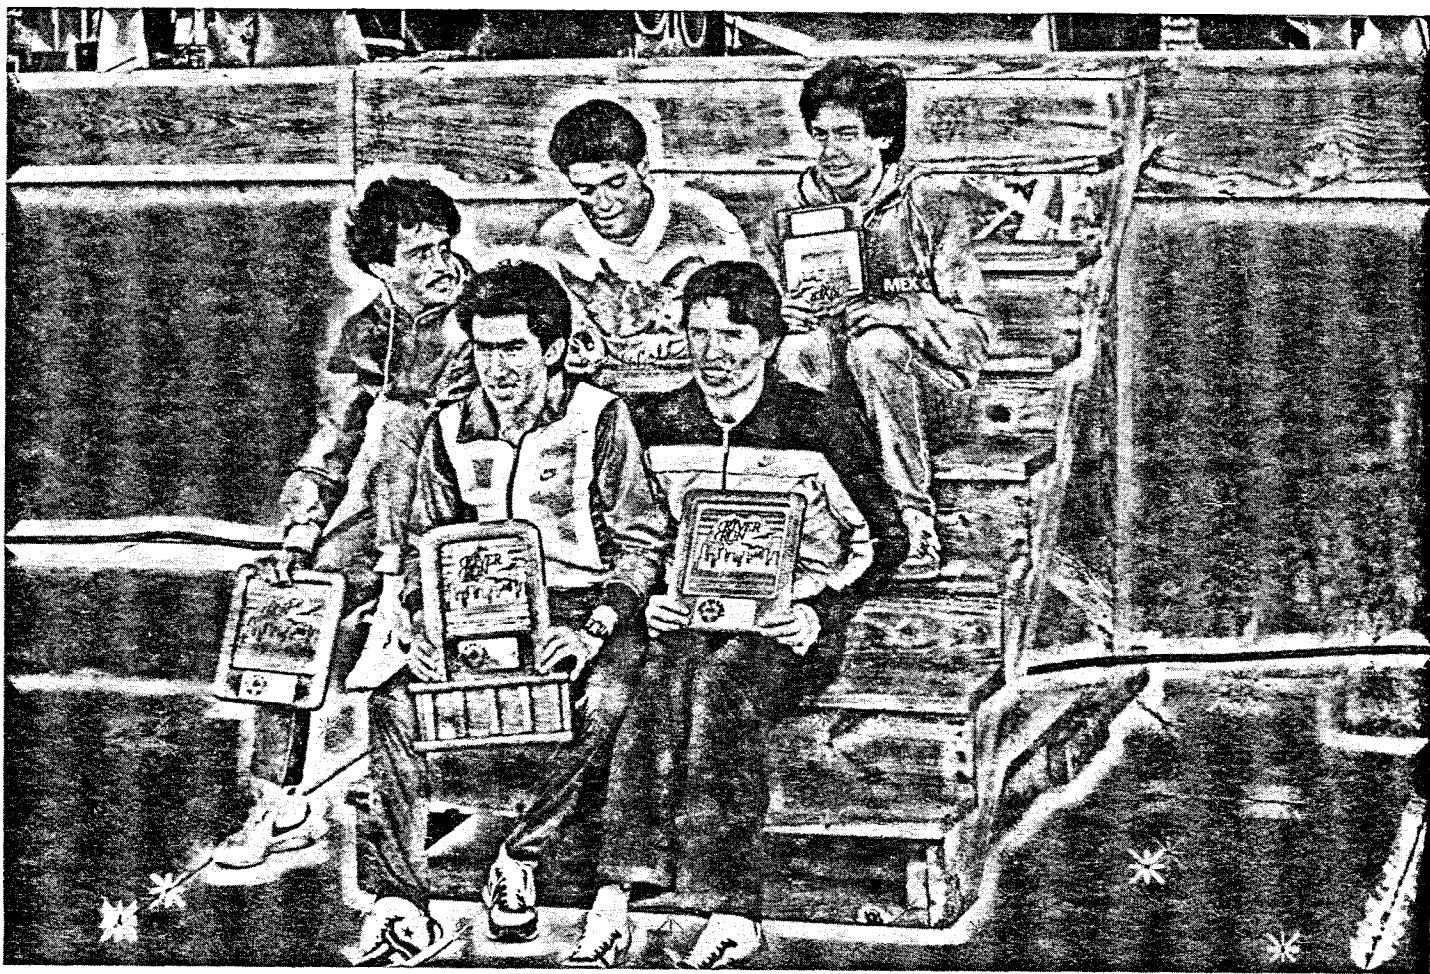

John Tenbroeck presents Grete with her award and \$6,000 1st Place Prize.

It was a Mexican domination. Left to Right Antonio Villanueva (Masters Winner), Authorio Barrios (Overall Champion), Martin Pitayo (5th Overall), Mauricio Gonzales (3rd Overall) and Francisco Pacheco (13th Overall).

Thursday night at the Baptist Medical Center Clinic, Doug Aired, Race Director, Jonalle Mulrain, Baptist Medical, Bill Rodgers, Grete Waitz and Dr. Dillahunt pose for a shot.

Doug Alred, Jane Ryan (Registration Chairman) and Bill Rodgers (Guest Speaker).
