Check-out time: 12:00 (Noon)

Omni Jacksonville Safety Protocols

At Omni Hotels & Resorts, the health and safety of our guests and associates has always been, and always will be, our top priority. COVID-19 has changed every facet of our world and the way we do business. In an effort to Stay A Part of Safety, we have updated our already thorough cleaning guidelines and implemented additional processes and procedures to ensure your health, safety and comfort as part of the new “Omni Safe & Clean” initiative. Within each of our individual hotels and resorts, guests can expect to see the following standards implemented allowing our associates to provide exceptional service in a safe environment. The Omni Safe & Clean initiative follows the guidelines set forth by the Centers for Disease Control and Prevention (CDC) and each individual Omni location will adhere to local and/or federal mandates. Protocols and guidelines from these authorities are expected to evolve, and as such, so will our below processes and procedures. Similarly, these guidelines meet or exceed the “Stay Safe” initiative set forth by the American Hotel & Lodging Association (AHLA).

We are confident in our entire family of associates’ ability to welcome you safely back at our hotels across North America, with the personalized service you’ve always known and trusted.

Omni Safe & Clean Initiative:

Associates

Daily health screening, including temperature checks; Frequent sanitization of all associate common areas; Thorough re-training on proper hygiene and best practices; Personal Protective Equipment (PPE)

Cleanliness

Increased frequency of sanitization with EPA-certified cleansers that are CDC-compliant; Additional guest sanitization stations in public areas; Increased cleaning of HVAC systems and replacement of air filters

Social Distancing

Signage and distance indicators will be used throughout the hotel in high-traffic areas to allow for and encourage proper social distancing

Response & Protocols

Enact safety protocols specific to COVID-19; Coordinate medical assistance requests or self-isolation needs; Deep cleaning of all known points of contact and re-cleaning of impacted common and high-traffic areas; Assist health professionals with contact tracing

Traffic Flow

High-traffic areas will be designated as one-way passages to include wider aisles, where practical; Informational signage throughout all locations to communicate information such as recommendations, health alerts and guidelines from the CDC

Guest Rooms

Cleaned and disinfected guest rooms will have an “Omni Safe & Clean” seal of approval sticker upon completion; Single-use amenities provided in each guest room; Enhanced disinfecting of high-touch items; Requested items will be delivered in a contactless manner
